Sacred Unions is a book about true love. By true love or romance the author refers to sexual passion that deepens into the permanent union of two persons in heart, body, and mind. The book is therefore addressed to all true lovers: straight or gay, deep into the adventure of a shared life or just contemplating it, or emerging out of a failed attempt. Lifelong union, Breidenthal asserts, is of central importance in all circumstances; and it remains a viable option for all of us, no matter who we are or what our story is.
